Outdoor Living Spaces Brochure

Balconies, patios and garden rooms

A practical planning guide for turning outdoor areas into usable living space with seating, privacy, lighting and durable materials.

What you receive

Included deliverables
• Furniture scale plan for balcony, patio or yard
• Privacy and planting recommendations
• Outdoor lighting atmosphere plan
• Weather-ready material checklist
• Storage and maintenance notes

Pro tips

• For small balconies, use folding furniture, vertical planters and an outdoor rug to define the floor.

• Choose powder-coated metal, teak, acacia or high-quality resin wicker for durability.

• Add low-voltage or solar lighting in layers: wall, path and table-level glow.

• Use storage benches for cushions and seasonal accessories.

• Create one clear use first - morning coffee, family dining or evening lounge - before buying furniture.

Suggested budget range

Small balcony	$500 - $1,500	Foldable set, rug, planters and warm LED lighting
Patio refresh	$1,500 - $5,000	Modular seating, planters, lighting and storage bench
Premium outdoor room	$5,000 - $20,000+	Pergola, built-in seating, heaters, privacy and layered lighting

Recommended timeline

Week 1: Sun, shade, privacy and measurement review

Week 2: Furniture plan and material shortlist

Week 3: Lighting, planting and shopping plan

Featured project idea

A compact apartment balcony became a usable breakfast spot with a foldable bistro set, narrow planter wall, weatherproof rug and warm railing lights.

Next step: use the website contact form to share photos, rough measurements, timeline and the top three problems you want to solve.
